Norfolk Island

Dear Edmund

My heartfelt congratulations to you on fifty years of Rotary service. It is an accomplishment worth celebrating.

One of the questions we face in our lives is how we will spend our time. You have, year after year, decided to give your time to Rotary in order to make a difference in our world. Without your sustained commitment to service, Rotary would not be the vibrant force for good that it is.

It is a gift to be a Rotarian, to be able to join with others to educate our children, rid the world of polio, feed the hungry, and bring peace and hope to areas of conflict. When we give of ourselves, we also receive deep satisfaction and pride from the knowledge that every day and every year, we are Rotarians; we are improving the world around us and creating a brighter future for everyone.

I send you my best wishes on this anniversary of your membership, and I look forward to working with you this coming year to *Be a Gift to the World*.

Sincerely,
